Homestead
COLLECTION

Welcome

When you're ready to complete your backyard oasis – we can help.

Do you love throwing backyard BBQs or relaxing outdoors but find your outdoor living space is missing something? Perhaps you just need a little extra shade, or something more convenient for entertaining, such as a lounge and outdoor kitchen area?

Whatever your outdoor living goals are, Homestead can help you design a unique, hand-crafted pavilion or pergola perfectly suited to your needs. Transform your outdoor living and enjoy more time with family and friends with a new pavilion or pergola.

- 1 **Unique Designs To Beautify Your Space**
Homestead offers high-end, custom pavilions and pergolas designed to your specifications (with help from our design consultants) for a picture-perfect addition to your backyard.
- 2 **Pavilions and Pergolas Built To Last**
Invest in a structure that's built with the same care, skill, expertise and construction-grade materials that you'd use to build your own home.
- 3 **Decades Of Experience**
Your dream pavilion or pergola becomes reality with the quality that comes from years of design and building experience by multi-generational craftsmen in Lancaster County.

About Us

The Homestead Story

Homestead Structures started in 2003 as a sideline business to our dairy farm in order to support our family farm and others in the community. We started with building barns and structures for our Amish brethren, but quickly saw that there was a need and desire in Central PA and beyond for well-made, aesthetically pleasing pool houses, pavilions, garages and other specialty structures.

We are designers, craftsmen, and builders. We specialize in solving your outdoor living needs with quality, unique buildings that reflect attention to detail and craftsmanship. If you have a vision for your new structure, we love helping you bring it to life!

Our Family

Our owner Steve and his wife Martha have nine children, most of which are involved in the family business or farm. Their children have held a variety of jobs, from teachers in a 1-room Amish schoolhouse to apprenticing in the production shop and working as Farm and House Managers to keep the farm running smoothly.

We continue to expand our work family with seasoned craftsmen and builders. Most hail from our local community and are a quick buggy ride from work! Our shop opens at 6:00A and closes by 4:30P to give our team time to be home for dinner with their families every evening.

Our Mission & Vision

We are a family-owned and -operated company, founded on biblical principles. We provide high-quality building solutions that solve our customers' needs, both functionally and aesthetically improving their outdoor living and entertainment spaces.

Our vision is to be the company of choice in the industry by providing excellent service to our customers in a God-honoring way.
